

Pacific West Ambulance

Immediate Opening – Senior Shop Auto/Diesel Mechanic Position

Monday through Friday Day Shift

Pacific West Ambulance is looking for a motivated and experienced auto/diesel mechanic experienced in Ford, GM, Chevy, and Ram Diesel engines and chassis that wants to have the feeling of running their own shop to join our service department located in Newport and Lincoln City.

Pacific West Ambulance is part of the largest privately owned provider of EMS in Oregon. We have a large fleet of emergency, non-emergency, and transit vehicles. Our fleet consists of 8 diesel ambulances and 4 wheelchair vans. This individual would be employed to run the shop as if they owned it.

Please review our job description below:

TITLE:	Mechanic
REPORTS TO:	General Manager
EXEMPTION/NON-EXEMPT:	Non-exempt
UPDATED:	June 16, 2026

SUMMARY

The Mechanic is responsible for the application of the preventative maintenance program. The Mechanic is responsible for general and emergency maintenance and repair of all emergency and non-emergency units.

Essential Duties and Responsibilities

1. Perform vehicle repairs and maintenance as emergency failures occur.
2. Perform vehicle maintenance and repairs from the preventative maintenance schedule.
3. Record all repairs and maintenance on provided logs.
4. Respond to road calls to vehicles that suffer unexpected failures.
5. Inspect vehicles for all elements of safe operations: wear on tires, belts, fluid levels, etc.
6. Diagnose common problems with vehicles and take corrective action independently and report trends to the fleet manager so that updates to the Company's preventative maintenance program may occur.
7. Other duties as assigned.

QUALIFICATIONS
